PROFILE

First Class BSc (Hons) graduate in Urban Informatics and Planning from the University of Moratuwa with a CGPA of 3.85 and practical experience in planning and development projects, GIS, spatial analysis, and technical documentation. Experienced in supporting development assessments, preparing planning reports, conducting site evaluations, and contributing to evidence-based planning solutions. Skilled in project coordination, stakeholder engagement, and analytical problem-solving, with a strong commitment to sustainable development and effective planning practice. Eager to contribute to planning and development initiatives through strategic thinking, collaboration, and planning principles.

EDUCATION

BSc (Hons) in Urban Informatics and Planning

University of Moratuwa | May 2022 - May 2026

- CGPA : 3.85
- Dean's List : L1S1, L1S2, L2S3, L3S5, L4S7

Certificate in Foundations of Project Management

University of Moratuwa | Feb 2026

Certificate in Project Scope and Schedule Management

University of Moratuwa | Feb 2026

DIPLOMA IN ENGLISH

E-CITY College of English & IT Skills Development | Nov 2021 - May 2022

- First Class

PROFESSIONAL EXPERIENCE

Planning Intern

John Keells Properties | Apr 2025 – Sep 2025

- Supported planning and development projects through site assessments, technical documentation, and project coordination activities.
- Assisted in development evaluations, feasibility assessments, and planning studies to support project decision-making.
- Prepared planning reports, presentations, development documentation, and project-related materials.
- Coordinated with multidisciplinary teams to support project delivery and planning objectives.
- Contributed to development planning initiatives while gaining exposure to private-sector property development processes.

Freelance Planning & Design Support

Planning, Design & Development Projects | Jan 2023 – Present

- Supported planning and development projects through site layouts, development concepts, and planning proposals.
- Prepared technical drawings using AutoCAD and developed 3D models and visualizations using SketchUp and rendering tools.
- Contributed to the design of public spaces, urban parks, and landscape development proposals.
- Assisted in the preparation of project presentations and planning documentation.

GIS & Spatial Mapping Support

Geospatial Analysis & Mapping Projects | Jan 2025 – Present

- Conducted spatial analysis, mapping, and data visualization using QGIS to support planning and development projects.
- Prepared thematic maps and geospatial outputs for planning, environmental, and infrastructure-related initiatives.
- Contributed to projects supporting the Ministry of Agriculture and Agrarian Services, Animal Husbandry, Irrigation, Fisheries, Water Supply and Environmental – Northern Province.
- Assisted in the preparation of map-based reports and planning documentation for decision-making purposes.

Freelance Transcriber & Translator (Tamil–English)

Research & Development Sector Projects | Jan 2021 – Present

- Transcribed and translated interviews, reports, and technical documents between Tamil and English.
- Delivered assignments for organizations including USAID SCORE, Export Development Board (EDB), and Circle Consultancy (Pvt) Ltd.
- Supported the translation of development-sector documents, including reports prepared for the Central Environmental Authority (CEA).
- Maintained high standards of accuracy, documentation quality, and timely delivery across multiple assignments.

ACADEMIC & RESEARCH PROJECTS

Individually Supervised Research Project (ISRP) – Jaffna

Local Identity, Collective Memory, and Culture in Post-War Urban Development

- Conducted field-based research to examine the relationship between urban development and community identity in post-war Jaffna.
- Collected and analyzed qualitative data through community surveys, interviews, and site observations.
- Assessed the social and cultural impacts of development interventions on local communities.
- Developed planning recommendations to support culturally sensitive and inclusive development practices.

Heritage Conservation & Sustainable Development Planning

Nuwara ELiya

- Conducted site assessments and spatial analysis to identify heritage conservation priorities and development opportunities.
- Evaluated planning alternatives to balance heritage preservation with future development needs.
- Prepared planning recommendations supporting sustainable land use and conservation objectives.

Regional Planning Project – Human–Elephant Conflict

- Assessed the spatial distribution and socio-environmental impacts of human–elephant conflict in Sri Lanka.
- Conducted field investigations and spatial analysis to identify planning challenges affecting communities and ecosystems.
- Evaluated the relationship between settlement patterns, environmental resources, and wildlife habitats.
- Proposed planning interventions to promote sustainable land management and community resilience.

Traffic Monitoring and Decision-Support System using Computer Vision

- Developed a data-driven traffic monitoring system to support transport planning and urban mobility analysis.
 - Analyzed pedestrian and vehicle movement patterns using computer vision techniques and Python-based processing tools.
 - Produced traffic indicators and analytical outputs to support infrastructure planning and congestion management.
 - Designed a decision-support framework for evidence-based planning and transportation management.
-

CORE COMPETENCIES

Planning & Development

- Development Planning
- Land Use Planning
- Site Assessment & Analysis
- Development Assessment
- Sustainable Development

GIS & Spatial Analysis

- GIS Mapping & Spatial Analysis
 - Spatial Data Visualization
 - Remote Sensing Applications
 - Geospatial Data Management
-

LEADERSHIP & PROFESSIONAL AFFILIATIONS

- Student Member, Institute of Town Planners Sri Lanka
 - Batch Representative – Semester 8 T&CP 21 Batch
-

AWARDS & ACHIEVEMENTS

- Netball Player (District Level), 2013–2018
 - Received recognition in multiple inter-school debate & speech competitions
 - Public Speaking, Debating, and Event Moderation
 - Organized and supported academic and community engagement activities
-
